Heat Pump Water Heating Rebate Application

(units up to 55 gallons)

Member Information:

Name: _____ Account #: _____

Address: _____

City: _____ State: NC Zip: _____

Home Phone: _____ Cell: _____

System Information:

Installation Contractor: _____ Phone #: _____

- Replaces electric water heater New construction

Installed Cost	HPWH Tank Brand	Tank Size (gallons)	Energy Factor (EF)	Date Installed	Old Water Heater Brand	Old Water Heater Age
\$						

Qualifications:

Rebate will be applied to the active electric account. Checks may be issued upon request and will be made to the JOEMC member and mailed to the address of record. Once this application is processed, please allow 4-6 weeks to process this application. Rebates for qualifying units are \$300 per unit.

I hereby agree that I am a JOEMC member and I have an active electric service account at the address indicated above. I also agree to hold JOEMC blameless from any problems arising from the installation and operation of this system or from any claims of savings, as these are solely the responsibility of the installer/seller.

Member Signature: _____ **Date:** _____

Eligibility:

- You must receive electric service from JOEMC in your home.
- The Energy Star certified heat pump water heater must have been newly installed in the last 90 days preceding the application for rebate.
- Heat pump water heaters greater than 55 gallons are ineligible for this rebate.
- Member must submit **proof of purchase** (a copy of the sales receipt or invoice) and a copy of the yellow **EnergyGuide** along with application.
- Installations must comply with all federal, state and local code requirements.
- Qualified electric heat pump water heater must replace an existing electric water heater in the same home and the old water heater must be disconnected and removed from the home.
